9 Plaintiff(s),

10 v.

11 GERARD DOGGE (p/k/a Gerard
12 Bakardy) an individual,

13 Defendant(s).

15 **ORDER**

16 Presently before the court is plaintiff's emergency motion to stay the trial deadlines. (Doc.
17 # 193). The defendant has not responded.

18 On March 30, 2014, the court entered an order granting in part and denying in part plaintiff's
19 motion for summary judgment. (Doc. # 184). Trial on the remaining claims was thereafter
20 scheduled for June 2, 2014. (Doc. # 189). The court simultaneously referred the matter to
21 Magistrate Judge Foley to conduct a settlement conference, which is set for May 9, 2014. (*Id.*).

22 Per the pretrial order, the deadline for pretrial disclosures and motions *in limine* is currently
23 May 2, 2014. In light of the fact that the pretrial deadline expires prior to the settlement conference,
24 and the settlement conference has the potential to alleviate the need for any trial, the court will stay
25 the current trial deadlines.

26 Per plaintiff's request, and in the interest of judicial efficiency, the current trial deadlines will
27 be stayed until one (1) week after the settlement conference is concluded.
